Pittsfield Town Clock - Many of you may not be aware that our town clock, owned by the Town and housed in the First Congregational Church, requires a weekly winding. Citizens have volunteered their time over the years to take care of this task, climbing the narrow steps and a ladder to keep our unique clock ticking and our town 'on time.' The current volunteer has generously served for several years now and is ready to retire - which leaves us in need of a dependable individual to take over this weekly task. The clock is currently wound on Thursdays, and while the day of the week can be changed, it must remain consistent. If you are interested in taking over as the town clock winder, please contact Town Administrator Cara Marston by email at cmarston@pittsfieldnh.gov for more information on this neat opportunity.

Pittsfield Budget Committee - There are several vacancies on the Committee. Please contact Town Moderator Jackson Marston or the town hall if interested or have any questions. The volunteer application may be found on the town website www.pittsfieldnh.gov

PMHS Class of 1984 - It's our 40th Class Reunion this year!!! Save the date: Sat, Sept. 14 at Murphy's Tap Room in Bedford.

Happy Birthday wishes to Deb Gage on Wed, March 27. I hope you enjoy your special day!

Josiah Carpenter Library Author Visit with Levi Gallup

The Library is looking forward to hosting Pittsfield author and poet, Levi Gallup on Wednesday, April 10 at 6:30pm.

Levi Gallup, author of the *Dark Light* series, and *Shadow Dancers*, was born in New Hampshire. He attended New Hampshire and Connecticut schools before enlisting in the U.S. Army. While in college, he studied business and computer science. Levi Gallup is a digital artist, writer, genealogist, and outdoor enthusiast. He is a direct descendant of some of Pittsfield's early settlers.

Levi has spent a lifetime studying religions, history, philosophy, physics, paranormal experiences, and world culture. He attended Pittsfield schools for a portion of his childhood and graduated from high school here. Levi and his wife, Jean, live in Pittsfield, where Mr. Gallup serves on the Board of Directors for the Pittsfield Historical Society.

Levi is currently finalizing the third novel in the *Dark Light* trilogy, and expects it to hit bookshelves in late 2024. He is also drafting a sequel to *Shadow Dancers*, illustrating a book of his own poetry, and is engaged in recording two songs.

The Pittsfield School Board

The Pittsfield School Board is seeking applicants to fill an open position on the School Board. This is a one-year term position. Letters of interest should be sent to:

The Pittsfield School Board
23 Oneida Street
Pittsfield, NH 03263

School Board Update

The Board has had a busy couple of weeks with meetings, Meet the Candidate Night, and voting day. We are pleased to welcome Tim Robinson to the Board, and we wish to thank Adam Cote for his service to the community and schools. The Board does have a vacated seat to fill. Please see the article in this week's Post with further information if you are interested in joining our school board.

The meeting on March 7th was a showcase of some of the great happenings at both PES and PMHS. Principal Kristen White compiled detailed grade-level updates from all teachers and staff at PES to share with the Board. We were thrilled to hear these updates and are grateful to all faculty and staff who contributed. Mrs. White also shared some wonderful community milestones for our learners at PES including: the 100th day of school Celebrations of Learning, the American Heart Association Kids Heart Challenge (which, due to the excellent school-wide fundraising, resulted in both Mrs. White and Mr. Curtain getting slimed!), the Hearts Across the World Challenge, and Read Across America Week. We are so proud of all of the wonderful happenings at PES.

Mr. Hamilton shared the PMHS 2024-2025 Program of Studies. The Board was impressed with the new offerings, and with the school and staff's willingness to offer up some wonderful options for our learners. New this year: Technical Writing, Applied Research, Practical Math, Electricity, Introduction to Engineering, Anatomy and Physiology, World History, and Government in Action. The Board thanks the administration, faculty and staff at PMHS for these exciting opportunities for our learners and the many paths they may take after high school. Mr. Hamilton also shared the many lively co-curricular activities currently running at PMHS. From Drama Club to Future Business Leaders of America to Student Council, our community and schools have a lot to be proud of.

Our next regular meeting will be Thursday, March 21st at 5:30 in the PMHS library. We hope to see you there. Molly Goggin mgoggin@sau51.org 603-387-1396.

Cook's Corner

Twice Baked Loaded Potato Casserole and Roasted Asparagus with Parmesan

If you haven't finalized your Easter dinner menu, take a peek at these two recipes. Both of these are simple, classic, and both will pair nicely with any of your favorite Easter or Spring menu mains – ham, roasted leg of lamb, lemon & rosemary chicken or even quiche. My very best wishes to you and your family for a joyous Easter. Bon appetit.

Twice Baked Loaded Potato Casserole

Cooking spray

3 lbs russet potatoes

4 TBSP butter

½ cup milk

1 (7.5 oz) tub chive & onion cream cheese

½ cup sour cream

½ cup finely chopped scallions

1 (7 oz) package shredded Cheddar cheese

1 (2.1 oz) package fully cooked bacon, chopped

Paprika for garnish (optional)

Heat oven to 350. Coat a 2-quart baking dish with cooking spray. Peel and cut potatoes into 2-inch chunks. Add potatoes and salt to a large pot of cold water, heat to a boil on high. Once boiling, reduce heat and simmer for 15 minutes, until fork-tender. Drain potatoes well and return to pot.

In a microwave-safe bowl, combine butter and milk. Microwave for 1 to 2 minutes until milk is hot and butter is melted. Add milk mixture to potatoes and mash coarsely. Stir in cream cheese and sour cream. Season with salt & pepper. Mash until smooth, taking care not to overwork the potatoes.

Now stir in half of the scallions, half of the Cheddar cheese and half of the bacon. Spoon the mixture into the prepared baking dish. Top with remaining scallions, cheese and bacon. Sprinkle the top with paprika, if desired.

Bake for 25 to 30 minutes, until heated and cheese is melted.

Roasted Asparagus with Parmesan

2 bunches of asparagus (about 1 & ½ lbs)

1 TBSP olive oil

Coarse salt and fresh ground black pepper

¼ to ½ cup finely grated Parmesan cheese

Heat oven to 400. Wash the asparagus and trim the rough ends off. On a rimmed baking sheet, toss the asparagus with the olive oil and season with salt & pepper. Spread in an even layer across the baking sheet and sprinkle the Parmesan cheese all over.

Roast until the asparagus is tender and the cheese has melted, about 10 to 15 minutes. - *MP Christakos*

The number of bills reaching the floor established a record for this term, and we ended on March 21 at 8 PM.

March 14 session bills of interest: **HB1204** passed (228-139) protecting citizens with stronger requirements when a government agent may enter a secured premise without a warrant.

HB1305 passed on a bipartisan vote (206-169) regarding freedom of speech at public institutions of higher education. There was an amazing presentation of support and cooperation when the two youngest representatives from both sides of the aisle spoke to support the bill.

HB1311 passed (194-180) requiring school boards to adopt policies for the selection of materials for library media centers. Cyril and I did not vote for this bill, since it does not allow for a policy for the selection or removal process that parents could use.

HB 1312 passed (186-185), expanding parent notification of students' health and well-being information.

HB1512 failed (186-187) limiting education freedom account funding. It is amazing how close the votes are at times, which makes it critical that you are in your chair at every vote! Cyril and I have perfect attendance!

HB1594 failed (184-189) requiring annual determination of eligibility for awarding education freedom account funds.

The next group is dear to me since I am on the Election Law Committee. **HB1146** passed (189-186), allowing voters to remove themselves from the voter checklist. It was hard to believe that there was no way to do this! **HB1369** passed (191-181) requiring the verification of voter roll by the supervisors of the checklist from every 10 years to every 4 years. In 2021, over 220,000 voters were determined ineligible! **HB1569** passed (189-185) removing the exception for providing voter identification. This bill removes the voter affidavits as proof of identification as proof of identification and repeals the procedures for affidavit ballots.

March 21 session bills of interest: **HB1336** was pulled from the "table;" this bill would allow employees to keep their weapon in their vehicle while at work. This bill passed 197 - 176.

HB1659 a parenting rights bill dealing with child custody passed 187 - 178. **HB1205** on women's sports passed 189 - 182. Requires athletics to be biologically based, girls only playing girls sports for grades 5 - 12. Designed coed sports or intramural teams are not impacted by the legislation, which is logical.

HR30 would have taken time from teaching core subjects in favor of teaching climate change and was defeated 181 - 191. **HB1098**, allowing ballots to be delivered to elder care facilities, was passed 192 - 175.

HB 1149, allowing anyone to vote without proper I.D. and without proof of residency, defeated 184 - 190.

HB1335 removing Columbus Day as a holiday, happily defeated 42 - 331. This was the 7th attempt to remove Columbus!

HB1283 legal assisted suicide passed 179 - 176. **HB1479** would have prohibited the use of federal, state or local funds for lobbying activities and was indefinitely postponed 211 - 129

HB1281, relative to zoning restrictions on residential rental properties, would release hundreds of properties for immediate availability, defeating 17 - 300. This lopsided defeat is based on the legislature's support for local land rule! **HB1371**, which keeps charitable organizations exempt from taxation, passed 306 - 7

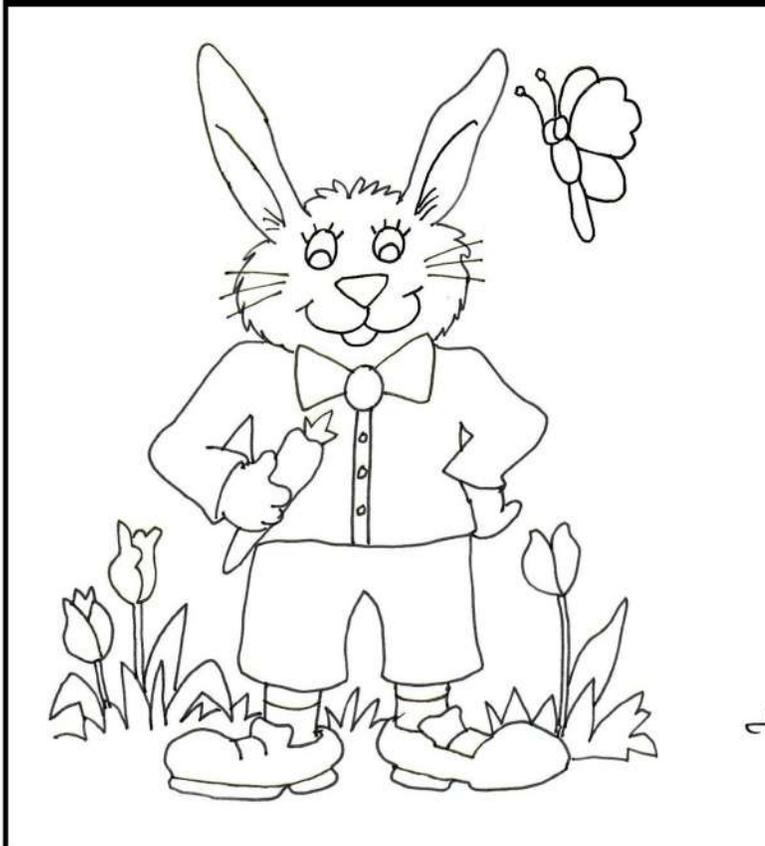

HB1115 passed (194-180), establishing that the termination date on a residential lease applies to both parties. Somehow, the opponents of this bill presented the argument that a lease or contract is more than the words on paper!
