## Dawn 2 Dusk Beauty Salon Opens on Main Street

Pittsfield welcomes another new business on Main Street. Dawn Birarelli recently opened, Dawn 2 Dusk, her new salon and is already enjoying a steady and growing client base.

Dawn, originally from Danvers, MA, relocated to southern New Hampshire in 2006 to pursue early childhood education, while owning and operating a successful childcare center. Her artistic background and experience as an educator have long fascinated her with the beauty industry's potential for creative expression and growth.

Shortly after the onset of the COVID pandemic, Dawn decided to switch careers and enrolled at Empire Beauty School in Laconia as a full time cosmetology student. She shared that the Empire program is rigorous and in addition to learning how to deliver a wide range of professional beauty services, the program also provided learning and training on how to start and run a small business.

After graduating and obtaining her licenses, Dawn worked at Cindy's hair salon in town for about a year. When she saw that the former Epping Well office was for rent, Dawn jumped at the opportunity to start her own shop.

She provides a broad range of services to her multi-generational clients including hair styling, cuts, perms, 'up-do's, nails (manicures and pedicures), waxing and chemical treatments. Dawn is also looking into providing treatments for skin and scalp conditions and has invested in technology, tools and products to help her clients restore and rejuvenate healthy skin. In addition, Dawn sells a range of products at very reasonable

prices and offers gift certificates. She has one part-time employee who is also a hair stylist and does nails.

When not running her business, Dawn is also an artist and enjoys painting and woodworking among other creative pursuits. Her father, who passed a few years ago and who was a veteran, has always been her inspiration and Dawn has become very active in supporting Veteran causes.

The salon has been completely renovated from its former days as an office. It's beautifully decorated, cozy and inviting – a perfect and relaxing spot to enjoy some self-care "me time".

Dawn 2 Dusk is located at 26 Main St., Pittsfield; phone number is 603-435-0950. The salon is open for business Tuesday through Thursday from 10am to 6pm, Friday from 9am to 4pm and Saturday from 9am to 3pm.

Appointments are preferred, but walk-ins can be accommodated. The salon uses the online booking platform, VAGARO, for appointments. It's a secure site that allows one to book an appointment and pay in advance. You can also like and follow the salon on Facebook, Dawn2duskhair, for monthly updates and sales.

Stop by the shop and welcome Dawn to the Pittsfield business community and be sure to book an appointment soon. You deserve it.

For more information or if you have questions, call Anne at 603-435-8482.

The numbers for Bingo at the Senior Center keep growing. We would like to continue that growth, but Anne needs some help. She has been working very hard at keeping the center up and running. If you are interested in helping, please call Anne at 603-435-8482. We really could use some help with Bingo and to serve lunch. This is also a friendly reminder that Bingo does not support the center. Our community dining does. If you would like the senior center to remain in Pittsfield then please show some support and have lunch at the center. Look at the menu and give Anne a call if planning on attending one of the lunches.

We are still looking for a Meals on Wheels driver. If you are interested in helping some of the most vulnerable people in the community with some compensation for it, then this may be the job for you. If interested, please apply at

https://recruiting.paylocity.com/Recruiting/Jobs/Details/2756787. It is 15 to 20 hours per week.

Join us every Saturday for BINGO hosted by <u>Pittsfield Youth Baseball/Softball Association Bingo</u>. They have a great menu of food items along with their games and it all benefits the children of Pittsfield for their baseball/softball program. Doors open at 3:30pm and bingo starts at 6pm at Circle 9 Ranch in Epsom.

PES and End 68 Hours of Hunger are joining forces to create positive change. Are you eager to help our community bag and deliver groceries for families in need? ## A Message to Pittsfield Post Advertisers

The Post will publish a special issue again this year to celebrate the Pittsfield Middle High School 2025 graduates. As in the past, this will be a color issue and it has become an important tradition for our students and a treasured keepsake for their families.

If you are interested in running a special ad in honor of our graduates, please submit your 'graduation issue' ad

to the Pittsfield Post by Friday, May 9. The content of your message is up to you – words of encouragement, congratulations or just good wishes for the future. Your ad copy can be sent to the Post at <a href="mailto:pittsfieldnews@pnhcc.org">pittsfieldnews@pnhcc.org</a> or mailed to the Pittsfield Post, Post Office Box 253, Pittsfield, NH 03263. Our advertising rates can be found on our website at

https://www.pittsfieldnhcommunitycenter.org

Thank you very much for helping us celebrate the PMHS graduating class of 2025.

#### **CATAMOUNT WOMENAID**

"We are neighbors helping neighbors."

Imagine having to choose between getting your family car repaired or paying the rent. Our neighbors often have to make such choices when hit with a sudden life change—such as loss of employment, an injury, a house fire, illness, or an unexpected major expense.

## Catamount Womenaid stands ready to assist neighbors with urgent financial needs.

Validators, such as educators, clergy, welfare officers, medical practitioners and social workers, may make requests for up to \$1,000 in assistance on behalf of individuals or families in need. For example, a school counselor learns that a local family is struggling since their automobile does not pass inspection; the car is essential for the parents to get to work. Without their usual income, the family is falling behind on other bills. The counselor may request that Catamount Womenaid pay the car repair, rent or grocery bill. These requests are granted quickly and confidentially.

Catamount Womenaid receives requests from many area towns but prioritizes six communities: Barnstead, Deerfield, Epsom, Northwood, Pittsfield and Strafford. Catamount Womenaid's School Essentials Fund is available to schools in these towns. It provides funds for school counselors to use when students need school supplies, shoes, glasses, etc.

Local friends and area businesses have been supporters of Catamount Womenaid since it began in 2011, and this grass roots organization of women has grown to the point that it has helped neighbors with well over \$100,000 in grants for essential needs. Follow Catamount Womenaid on Facebook at catamountwomenaid or visit https://www.catamountwomenaid.org.

## Cook's Corner- Carrot Cake Cupcakes

Easter is around the corner and some of you may be thinking ahead about your Easter meal. If you love and crave carrot cake, and who doesn't? these are for you my friends! You can certainly serve these for dessert, but you absolutely have my permission to sneak one of these packets of joy for breakfast. Enjoy!

1 cup sugar

1/3 cup vegetable oil

2 TBSP orange juice

½ tsp vanilla extract

2 large eggs

1 tsp baking powder

½ tsp baking soda

½ tsp ground allspice

½ tsp salt

34 cup + 2 TBSP flour

1 & ½ cups shredded carrot

½ cup walnuts, chopped

¼ cup shredded coconut

1 tub store-bought cream cheese frosting

Heat oven to 350. Prepare a 12-cup muffin tin with either paper muffin cups or grease & flour the muffin wells.

In a bowl, combine the sugar, vegetable oil, orange juice, vanilla extract and the 2 eggs. Stir in the baking powder, baking soda, allspice and salt. Then add the flour (all of it), mix well to combine. Stir in the carrots, walnuts and coconut.

Transfer the batter to the muffin tin, filling each cup about ¾ full. Bake in the oven for 25 minutes or until a toothpick inserted in the center comes out clean.

Let the cupcakes cool before frosting. You can add some extra coconut to the tops after you frost them, if desired.

## Pittsfield Post Volunteer Opportunity: Biweekly Email Newsletter & Website Coordinator

Are you passionate about communications and looking to make a difference? The *Pittsfield Post* seeks a reliable, detail-oriented volunteer to manage and distribute our biweekly email newsletter, and update our website.

The prepared newspaper document will be sent to you (as part of the team) for conversion to email format. Basic knowledge of email marketing platforms, such as MailChimp or similar, and website content management, such as Wix or similar, would be helpful.

The work can be done at home and requires about two hours every other week. Training will be provided. This is an excellent opportunity to gain experience and contribute to the local news of the *Pittsfield Post*, which has been in operation for over 5 years! If interested, please contact us at <a href="mailto:pittsfieldnews@pnhcc.org">pittsfieldnews@pnhcc.org</a> We look forward to hearing from you.

**PES PTO Playground Committee:** Our Playground Committee, in collaboration with our PTO, has been working hard to secure funding for an ADA-compliant playground, with the goal of having it completed by Spring 2026. Since the playground at Drakes Field was renovated about 10 years ago, our focus is on upgrading the school playground, which is in much greater need of attention. To help guide our efforts, we've reached out to other schools that have recently completed playground projects and are also connecting with local excavation companies that may be able to provide in-kind support.

A big part of this initiative is making sure students have a voice in the design. We're hoping to include features like shaded areas, a water fountain, concrete play spaces, secure fencing, and a storage shed for equipment. We're actively pursuing a variety of funding sources, including grants, corporate sponsorships, and community fundraising efforts like a "Buy a Brick" campaign. Our team is currently researching grant opportunities through Peaceful Playgrounds.

Excitingly, a representative from BCI Burke came to the Feb. 20 meeting to share a design for the playground. Equipment options were discussed and students will vote to determine the final design. We look forward to bringing this project to life for our students and community.

**100th Day of School:** On Friday, Feb. 7, we celebrated our 100th day of school. Even more exciting, our 5th-grade students reached their 1,000th day of school at PES. Throughout the day, students engaged in a variety of activities. Our younger students participated in counting to 100, creating collections of 100 objects, and even dressing as if they were 100 years old. They explored literacy connections by reading books about the number 100, writing about what life might be like in 100 years, and reflecting on what they would do with \$100.

Students also worked on STEM challenges, including building structures using 100 blocks or cups and exploring how many exercises they could complete in 100 seconds.

For our 5th graders, celebrating their 1,000th day of school was an incredible moment of reflection on how far they have come since kindergarten. They took part in activities that encouraged them to think about their favorite school memories, set goals for the future, and even visualize what life might look like after 1,000 more days of hands-on learning.

Literacy Night reinforced our school's commitment to fostering a love of reading in every student. As a follow-up to this successful event, we continue promoting literacy through upcoming initiatives, including Read Across America Week from March 2-6. This year's theme, create and celebrate a nation of diverse readers, will encourage students to embrace reading as a lifelong adventure. Classrooms will track reading minutes using the 20 Minutes a Day is the Panther Way initiative, where students earn pom-poms for dedicated reading time. Additionally, we are excited to host a community read-aloud on March 5, featuring guest readers from the school board, superintendent's office, house of representatives, and local community members.

**Multi- Tiered Systems of Support MTSS- B-** Last January we began working with Stefanie King from the NH Department of Education to align District Goals with MTSS-B. At PES, we have utilized funding from the Promising Future Grant to work with Erin Moore, an educational consultant, to support students, staff, and families in implementing Responsive Classroom practices and strengthening behavior and emotional foundations for learning. This work is critical in creating a consistent approach to fostering a positive school climate.

Each month, I attend two key meetings that guide our MTSS-B efforts. The first is a collaborative meeting with other schools and districts focused on supporting student regulation. Within this cohort, we share best practices, discuss challenges, and learn how similar schools are adapting to the growing social-emotional needs of students. The second meeting is a one-on-one coaching session with Stefanie King, where we focus on developing a strong, school-based MTSS-B team. Through this work, we have completed several inventory surveys to assess our current framework and identify areas for growth. (con't on page ?)

#### **Elementary Schoo**l (Con't from page 7)

Our next step involves participating in the NH MTSS-B Framework Training, a three-part series designed to strengthen our approach to supporting student behavior. The training begins with a mandatory virtual orientation on March 5, followed by two in-person sessions on March 14 and March 20 in Concord. The training will provide essential guidance on best practices for both schoolwide and targeted supports. Our team will have structured time to develop and refine our systems, ensuring that we have clear and effective interventions in place to meet the diverse needs of our students.

We are already beginning to see growth within our school through the implementation of our first range of targeted supports. Erin Moore's comprehensive work with the entire school staff ensures that we create individualized, sustainable plans that support the whole child. *Kristen White, PES Principal* 

## Panther Updates: PMHS 2025-2026 Program of Studies

Each year the Guidance Department publishes a Program of Studies to assist students and families with high school course planning and selection each year. Changes are as follows: Calculus will not be offered; however, Introduction to Statistics, an *Early College* class, will be available to students. It will give students an option for dual credit (high school and college) through NHTI, and fulfill a pending expansion to the State of NH graduation requirements. We proudly announce that we will offer five *Early College* courses next year. Students can take College Algebra, Introduction to Statistics, English 12 Composition, English 12 Introduction to Literature, and Psychology.

Students in grades 9 through 11 attended a presentation about the Concord Regional Technical Center (CRTC) on Jan. 24. The presentation was facilitated by CRTC staff members and current PMHS students enrolled in the program. Students who wanted to learn more about specific programs submitted an interest form. The

CRTC staff used that information to organize the students into groups when they toured the facility on Feb.4. The students visited the two programs they are most interested in for an extended time along with a general information session. Students have the opportunity to earn industry-recognized certifications, professional licensure, and/or college credits. The following 12 programs are offered at the CRTC: Automotive Technology, Business, Computer Engineering, Construction Trades, Cosmetology, Criminal Justice, Culinary & Pastry Arts, Education & Behavioral Science, Emergency Services, Graphic Design & Creative Media, Health Science, and Theater & Film.

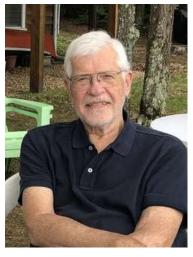

#### To the Citizens of Pittsfield:

The election is behind us and the voters of our town made some tough decisions—some good, some less so. However, the collective decisions can give everyone living in Pittsfield confidence and a sense of pride in how things work here. The people newly elected to office will bring fresh ideas, renewed energy, and dedication to our governance. A majority of voters called for a return to the traditional town meeting but came up just 32 votes short of the required 3/5ths benchmark for passage. The approval of most of the warrant articles will take the community forward. But make no mistake, the decisions relating to the budget will have consequences. Town services and school district programs will be impacted. People will be affected in ways large and small. Challenges will need to be overcome. Some things we've all become accustomed to will not be provided. Still, the voters have made their choices known and we will go forward together. All the candidates ran positive campaigns and offered the voters a variety of viewpoints. The poll workers and the moderator did a fantastic job as always, and our new vote tabulating machine worked like a champ. Yes, everyone can be proud of Election Day in our little town.

J. C. Allard

Richard Ewart Moloy, 84, of Pittsfield, passed away on Monday, February 3, 2025, at Concord Hospital after battling end-stage renal disease for five years.

He was born October 24, 1940, in the Fieldston section of the Bronx, NY, youngest son of Dr. Howard C. Moloy and Elizabeth (Metzger) Moloy. Richard spent his formative years at Riverdale Country School, where he excelled in soccer, was graduated from St. Lawrence University, Class of 1962, where he was a member of the St. Lawrence University Singing Saints, and received his Doctor of Pharmacy degree from Ohio State University. He was a devoted Buckeye for many years. Happy days were spent at White Oak, the Connecticut home belonging to his grandfather, noted chemist F. J. Metzger, and numerous summers in Thedford, western Ontario, enjoying farming life with his father's family.

He was employed as a pharmacist for many years, purchasing Green's Drug Store in Pittsfield from Al and Babe Jenisch, and later employed by Hannaford Brothers

in Ossipee until his retirement. Richard will be remembered for his kind heart and his big smile, especially evident in his thoughtfulness to his customers at his beloved Green's, and through his love for his family.

He enjoyed traveling with his wife, some favorite places including Tuscany and French Polynesia. He loved to paint, "especially the trim," was known for keeping things lighthearted, and he thoroughly enjoyed a good laugh. Puzzles, both jigsaw and crossword, kept his mind and competitive side (with his wife) active and he was an avid sports watcher. His most memorable times were summers spent with his family at Suncook Lake, where he developed a keen interest in the lake's loon population, observing their aquatic life, while listening intently to their cries of joy and woe.

Besides his parents, he was predeceased by two brothers, Peter and Floyd.

He is survived by his wife, Martha (Daroska) Moloy of Pittsfield with whom he shared 25 years of marriage, his children, Edwin Moloy and his wife, Sarah, of Salem, MA, Wendy Moloy of Chichester, and Graham Moloy and his wife, Lucie, of Toronto; stepdaughter, Elizabeth Kun and her husband, Keith, of Wilmington, MA, five grandchildren, Callum, Bergen, Lillian, Archer and Allison, as well as several nieces, nephews and cousins.

A celebration of Richard's life was held Feb. 13 at Roan Family Funeral Home, Still Oaks, Epsom.

Donations may be made in Richard's memory to: Loon Preservation Committee, PO Box 604, Moultonborough, NH 03254.

Criminal Justice: HB640 directing the attorney general to collect and publish information regarding federal agency operation within the state passed 187-183. This will allow our citizens to know what the federal government is doing in our backyard.

Education Funding: . HB515 removing the public charter school from eligibility for school building aid grants failed 156-212. Treating public charter schools like public schools.

HB770 HB771 improving how funding for open enrollment schools is transacted passed 212-159. Victory for public school choice for education.

Health, Human Service: HB524 repealing the New Hampshire Vaccine Association passed 189-181. Victory for private business control. HB756 establishing blood lead level testing requirement for children entering daycare and public schools failed 202-169.

Judiciary: HB114 removing fees for government records under the right-to-know law passed with a voice vote. Victory for open government.

Science Technology & Energy: HB224 requiring money paid into renewable energy fund be rebated to taxpayers passed 200-162. HB681 expanding the power of the governing council of the statewide online energy data platform failed on a voice vote. HB723 repealing the multi-use energy data platform passed 201-160.

State-Federal Relations & Veteran Affairs: HCR1 calling for policymakers to fully consider all relevant information and factors about climate change before pursuing courses of action passed 197-156. Victory for full disclosure and open government.

Transportation: HB305 allowing law enforcement to install traffic cameras for speed monitoring failed with a voice vote. A defeat for "Big Brother". HB419 requiring headlights to be used whenever windshield wipers are in use failed 227-129. Victory for limited government and against the nanny state. HB649 removing the requirement for a safety inspection and on-board diagnostic test for passenger vehicles passed 212-143. No

more car inspections limiting excessive government regulation.

#### House Session March 13, 2025

HB59 would charge someone with 1st degree assault when committed on a firefighter, emergency medical care provider or law enforcement officer. It passed as amended 196 - 179.

HB87 prohibits the posting of land not owned by the poster. It passed 234 to 144.

HB159 considered a red flag bill, authorizes the state to report mental health data for firearms background checks. This bill was submitted as a result of Chief Bradley Haas' murder, The bill was tabled 198 - 174

HB592 dealing with magistrates and violators getting out on bail too quickly. After several amendment and procedural votes this bill passed as amended 204 - 175

HB115 relative to universal eligibility for Education Freedom Accounts passed as amendment 198 - 180.

HB319 requiring additional transportation for half day kindergarten was defeated 204 - 171

HB675 would increase revenues under the statewide property tax, place a tax cap on local school districts passed 190 - 185.

HB773 Provides additional aid for school districts, addressing funding shortfalls and ensuring equitable education opportunities for students across the state. It passed as amended 246 - 128.

HB365 relative to proof of USA citizenship for indigent voters and reimbursement of costs for voting document passed 200 - 169.

HB521 authorizing online voter registration and related costs was defeated 202 - 169.

HB219 would phase out the minimum electric renewable portfolio standard as amended resulting in an estimated \$5.7 million in annual savings passed onto ratepayers. It passed as amended 189 - 173.

HB452 drivers licenses for aliens temporarily residing in NH. It delineates requirements regarding issuance and renewal of nonresident alien drivers' licenses, passing 198 - 162.

HB123 enabling municipalities to tax standing wood and timber on land used for carbon sequestration. This bill passed as amended 197 - 158. Because this bill passed out of committee by a vote of 18-0 there was little discussion or information passed along with it as far as what the ramifications are to NH's 3rd largest industry (Timber). Due to concerns over this being a double tax, several attempts were made to table this bill. Tabling this bill would've given the representatives time to get a better understanding.
