A FREE WEEKLY PRODUCTION BY COMMUNITY VOLUNTEERS

## Welcome Freedom Foods!

Pittsfield now has another restaurant. Freedom Foods opened in mid-June, on Catamount Road, across the street from Family Dollar.

Dave Boucher and Missy Weeks, co-owners, live here in town and opening this delightful spot has been their dream come true. Missy is originally from Haverhill, Massachusetts. Earlier in her career she was a licensed nurse, working with Alzheimer and dementia patients; she later worked in retail and managed a restaurant in Concord. Dave, meanwhile, spent over 30 years in commercial construction in Boston, where he was a foreman. Both have lived here in Pittsfield for over 10 years.

Together they also run a non-profit, charitable organization called Patriotic American. Dave describes the group as "a group of motorcycle riders who ride for charity." The organization has done numerous rides in support of a range of good causes, including St. Jude's Children's Hospital and suicide prevention groups. Missy devotes considerable time and effort to creating food and toy baskets for Pittsfield and Barnstead Fire Departments during the holiday season. Both Dave and Melissa are proudly committed to community service.

Missy shared, "I have always loved to cook and I love working closely with the community. This was a way to combine both." Dave said, when they learned that the former Jack's Pizza building was available, they jumped on the opportunity to bring their vision to reality.

Freedom Foods is all about fresh – everything is made-to-order. They receive all of their ingredients, meats, vegetables, fruit, breads and dairy every other day; and all of their deli meats are sliced daily. They have 3 grill stations to keep the process running smoothly, but they do not have a microwave. Everything is literally made when ordered; nothing is reheated. They also have two air fryers, a much healthier option than deep fried, and several of their items can be ordered air fried.

Their menu has a wide range of breakfast foods, along with an impressive list of sub sandwiches, 10" pizzas, various sides and, of course, their signature "smash burgers."

Dave makes their

homemade

meatballs every other day and mentioned their meatball subs with homemade marinara have become an early hit with customers. They are happy to make something that's not on the menu, as long as they have the ingredients. The breakfast menu is impressive and breakfast is available all day.

Although only open for a short time, they are receiving very positive feedback.

For now, the restaurant is open Monday to Friday from 8am to 5pm, and Saturday from 9am to 5pm; They are handicap accessible. Dave and Missy indicated they will consider expanding their hours once their operation is well established and they are able to hire additional staff. They have 6 employees now, including the lovely Felysa Weeks (Missy's daughter). Missy says, "We have THE BEST team in town!" The staff has a great time in the kitchen and has developed good camaraderie – especially when Dave sings along with the music (which I hear is quite special).

Be sure to stop by Freedom Foods soon, or give them a call at 603-435-0014. You're in for a treat!

## Cook's Corner

### Crunchy Ice Cream Loaf

It's just not Summer without ice cream! Here's a tasty and fun way to serve your

favorite frozen delight. I've made this with vanilla ice cream and served it with sliced bananas; and I've also made this loaf with strawberry ice cream, served with fresh sliced berries; but you could also use peach ice cream with fresh peach slices or even coffee ice cream with a drizzle of chocolate sauce. Enjoy! *MP Christakos*

2 cups cornflakes, crushed, plus more for garnish

2 tsp ground cinnamon

4 TBSP honey

3 pints ice cream, slightly softened

Sprinkle the inside of an 8 x 4 inch (6 cup capacity) loaf pan with water (to help the plastic stick). Line pan with two sheets of plastic wrap; crisscross, leaving a 6 inch overhang on all sides

In a small bowl, combine crushed cornflakes and cinnamon.

Sprinkle half of the cornflake mixture in the bottom of the pan; drizzle with 2 TBSP of honey. Top with half of the ice cream, spreading gently to flatten and cover the pan. Repeat with remaining cornflakes, honey and ice cream.

Fold the plastic wrap overhang over the ice cream and freeze until firm, at least 6 hours and up to 4 days.

To serve, unfold plastic; invert pan onto a plate and peel off plastic. Top with more cornflakes, if desired. Slice and serve immediately.

## School Board Update

Our meeting on June 15 gave the board information about special education, as well as updates from our superintendent, Mr. Lane. Ms. Vary, PSD Director of Student Services, shared that 75 students will be accessing Extended School Year Services this coming summer. We are thrilled to hear about those numbers of learners being provided opportunities to avoid summer attrition. Thanks to all who plan and implement ESY services, as well as those high school staff who will support our students completing competency recovery.

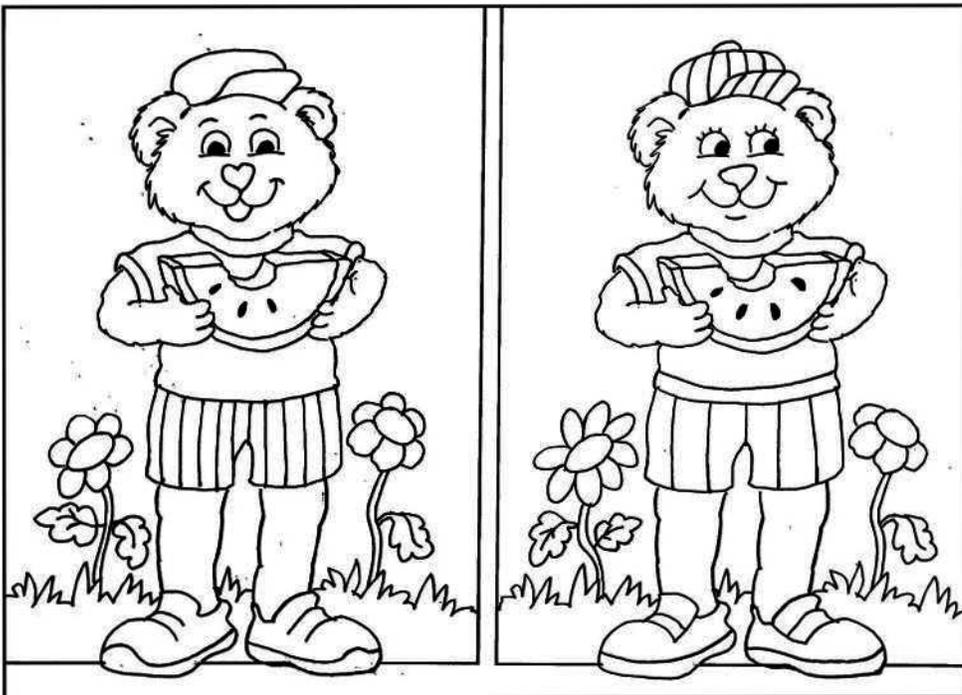

Mr. Lane reported on a variety of topics including staffing, planned assignments for current staff, and potential positions for the upcoming year. The Board has requested that Mr. Lane also post for an open position for a classroom teacher at the elementary school to potentially address large class sections.

I'm excited to report that the board has decided to move forward with a community presentation by The New Hampshire Fairness Funding Project. This non-profit advocacy group is tentatively scheduled to present to our community this coming September (details to follow). We are excited, as a board, to learn more and educate our community about the funding mechanisms in New Hampshire and how to get involved to improve these systems for equity.

Please note a change in our typically scheduled meetings: we will NOT meet on Thursday, July 6th. Our next meeting will be Thursday, July 20th at 5:30 in the PMHS library. We hope to see you there. *Molly Goggin*, [mgoggin@sau51.org](mailto:mgoggin@sau51.org) 603-387-1396.

## F B Argue Recreation Area Update

The FB Argue Recreation Area (aka Town Pool/ Town Beach) is open for the summer season. We are a "swim at your own risk" venue since we have only one lifeguard. Children must be 10 years old or older to attend the pool without an adult, and all parents must complete a form that explains our rules and that they have reviewed them with their child/children. Although it has been showery, swim lessons are underway with Amber Johnson, Abraham Marcotte, and Micah Sayman. The area is open Monday, Wednesday, and Friday from 12- 5pm and Tuesday and Thursday from 12- 7pm. If attendance warrants it, we will continue with the evening hours. If not, we will decide to close every day at 5pm. The area is available to rent for 4 hours on weekends for \$25, either from 9-1 or 1-5. An extra \$5 will be charged if you use the grill. Daily activities, besides swimming, are planned. We also have lawn games that may be used daily. The cost for entering the area is \$1 a day for Pittsfield residents and \$1.50 for nonresidents, but a Family Season Pass may be purchased for \$50. We will be open on Saturday, July 22, as part of the Old Home Day activities, from 12-5pm. We would like to thank the Highway Department, the Clothes Closet, Sanderson Fund, Joy Church, Sean Asdot, and the Merrimack Valley Bible Church for their continued support. Also, a huge thank you to Dave Stasiak for all his time spent on getting the area ready to open. If you have questions/concerns, please contact Amber at 603-435-7457 or Minni at 603-290-4068.

## Old Home Day and Pittsfield All Class Reunion are coming!

Pittsfield Old Home Day is fast approaching! Save the date: Saturday, July 22. The theme of the day is "Red, White & Blue - It's All Up to You!" This is a nod to a Patriotic theme, or in honor of the ALL CLASS Reunion – the colors of Pittsfield Middle High School. Plans are still being finalized but here's what we have now: There will be a breakfast from 7-10am at the Fire Station; vendor/craft fair, music, kids games, caricature artist at Dustin Park from 9-1pm, car show on Main Street, the Historical Society will be open (and I think there will be some vignettes by the Pittsfield Players at various Historical markers – more to come on that), Kids Bike Parade, and more. The Parade will be at 11am and please note: there is a new route this year (starting at Broadway to Main St., Elm St., Depot St., across Carroll, and ending at Broadway). Cookout and swimming, Little Red Wagon Theatre group (1pm), and Duck Race at the F.B. Argue Recreation Area from 12-5pm; PHS All Class Reunion at the High School from 2-5pm; Chicken BBQ under the tent at PES from 5:30-7pm (tickets are \$10), and then at Drake Field at 7:30pm – "Citizen of the Year" presentation. ## Select Board Review June 27, 2023

On June 25 there was a post on social media by a representative of the Carl Wallman Fund, relative to the town's vacant lot at 36 Main St. I'm not suggesting that the post was intentionally misleading, but that was the result. To be certain my recollection of all the discussions regarding the "natural garden" were correct, I asked Cara to pull the minutes, (written and audio) and also discussed this topic with the full Board of Selectmen. Every one of us was in full agreement, as follows: (1) The lot was purchased at a bargain price so that the town would have control over this very visible location on Main St. It was not purchased with any specific plan, other than protection from further downtown blight. Nor was it purchased with the idea that it would never be sold to recoup expenditures and return it to the tax roll, IF enough safeguards could be put in place to accomplish the protection we sought, as well as financial recovery for the taxpaying citizens. (2) The Wallman Fund offered to plant a "natural garden" on that site that would be attractive and, most importantly, *maintenance free*. Frankly we'd never heard of a 'maintenance-free garden,' but in light of the fact that both the DPW and the Beautification Committee were already spread thin, we weren't willing to put further burdens on Town departments. We were assured it would not require care. NO promise to keep the lot forever was expressed or implied by the BoS. (3) This spring an abutting property owner contacted us, seeking to buy our lot. He appears to be receptive to a number of stringent controls, so we have considered selling to him, *although that may or may not happen*. (4) Subsequently, The Wallman Fund came to us asking for permission to add \$600 in bark mulch to the 'maintenance free garden.' We tabled that request subject to possibly selling the lot, without further monies being donated. There was no refusal by the Board to allow weeding of the lot, (which we'd been led to believe was not going to be necessary anyway, but clearly is), however the town has no one to provide that service. There were other inaccuracies and slanders in comments on that social media post, which I won't dignify with a response. All I would say is it's important for residents to have the complete story in any matter and jumping onto a Facebook band-wagon rarely accomplishes that. The Select Board minutes, written and audio, are available to anyone doing a simple 91-A request. Our meetings are open to the public and input is taken. I'll report the remainder of the 6/27 meeting next week. *Carl Anderson*

June 29 was our last session of the fiscal year! The new year starts on July 1. Most of this meeting was cleanup since Governor Sununu signed the "miracle" budget into law last week. The bills fell into three categories. The first was the majority that required tweaks at the Committee of Conference (comprised of Senators and Representatives). Twelve passed on a simple voice vote.

The outcome of the next group was very bipartisan. The most important was HB 281, an energy compromise that eliminated old procedures and provided a streamlined process for transparency and control that would allow for cost benefits to our constituents. This bill combined the best part of two previously approved house bills to improve the bill. Both parties deserve much credit. The House also passed HB 315 (limits a person's ability to claim self-defense from provocations based on a victim's perceived gender or gender identity) and voted against SB 61 (to spend \$200K for a study to recommend new surface water setbacks for landfills).

The last group was partisan. HB 75 (a plan to place Strafford County commissioners into districts to be consistent with the other counties) passed by one vote. HB 275 (allowing parents to pay the difference in tuition to move a child to a higher tuition school approved by the school board) passed by two votes. And finally, HB 536 (facilitating charter school use of unused district school facilities) required the Speaker's vote to break a tie. This year's tight margin (basically 50/50) has produced the most one-vote decisions and the most times the Speaker's vote was used.

Cyril and I would like to thank you for the opportunity to serve at the State House. It has been an amazing and gratifying experience. Please feel free to contact us at [info@ClaytonCyril4House.com](mailto:info@ClaytonCyril4House.com) Sincerely, your Representatives *Clayton Wood and Cyril Aures.*
